Program Objective: PO4, PO5	Course Objective: CO4, CO5	Course Learning Objective: CLO5
Name S1:	Registration no:	
Name S2:		
Title of Project:		
Maximum Marks: 10	Obtained Marks:	Time Allowed: 40 Minutes

In a group or individual based on your FYP's, you are required to make a presentation of your FYP in less than 10 mins including Q&A. The presentation will cover the following aspects of your FYP

- 1. Problem Statements in easy words*
- 2. Your solution to the problem (be precise)*
- 3. Who will be your customer (the audience of your solution)*
- 4. How you make money (Revenue model)*

General Instructions:

- 1. The presentation should be clear and concise and marked individually.*
- 2. Bring Hard copy of your presentation (4 slide per page), First page should be title page including your name and reg number.*
- 3. All students are required to upload their presentations on QOBE by **November 4th, 2025**.*
- 4. Students will be recalled on random basis for their presentation, so each student will come well prepared on 4th November.*
- 5. Time is allocated to each group 10 minutes maximum including Q&A. So, students are expected to prepare presentations considering time constraints.*
- 6. This should be first page of your hard copies*

******Best of Luck******
